(4) Have satisfactorily completed a written examination prescribed by the Secretary of State to determine the fitness of the person to exercise the functions and duties of the office of notary public. All questions shall be based on the law of this state as set forth in the booklet of the laws of California relating to notaries public distributed by the Secretary of State.

(b) (1) Commencing July 1, 2005, each applicant for notary public shall provide satisfactory proof that he or she has completed the course of study required pursuant to paragraph (3) of subdivision (a) prior to approval of his or her appointment as a notary public by the Secretary of State.

8201.1. Prior to granting an appointment as a notary public, the Secretary of State shall determine that the applicant possesses the required honesty, credibility, truthfulness, and integrity to fulfill the responsibilities of the position. To assist in determining the identity of the applicant and whether the applicant has been convicted of a disqualifying crime specified in subdivision (b) of Section 8214.1, the Secretary of State shall require that applicants be fingerprinted.

8201.2. (a) Commencing January 1, 2005, the Secretary of State shall review the course of study and any refresher course proposed by any vendor to be offered pursuant to paragraph (3) of subdivision (a) and paragraph (2) of subdivision (b) of Section 8201. If the course of study includes all material that a person is expected to know to satisfactorily complete the written examination required pursuant to paragraph (4) of subdivision (a) of Section 8201, the Secretary of State shall approve the course of study.

(b) (1) The Secretary of State shall, by regulation, prescribe an application form and adopt a certificate of approval for the notary public education course of study proposed by a vendor.

(2) The Secretary of State may also provide a notary public education course of study.

8201.5. The Secretary of State shall require an applicant for appointment and commission as a notary public to complete an application form prescribed by the Secretary of State. Information on this form filed by an applicant with the Secretary of State, except for his name and address, is confidential and no individual record shall be divulged by an official or employee having access to it to any person other than the applicant, his authorized representative, or an employee or officer of the federal government, the state government, or a local agency, as defined in subdivision (b) of Section 6252 of the Government Code, acting in his official capacity. Such information shall be used by the Secretary of State for the sole purpose of carrying out the duties of this chapter.

8202. The affiant shall sign the document in the presence of the notary.

8202.5. The Secretary of State may appoint and commission the number of state, city, county, and public school district employees as notaries public to act for and on behalf of the governmental entity for which appointed which the Secretary of State deems proper. Whenever a notary is appointed and commissioned, a duly authorized representative of the employing governmental entity shall execute a certificate that the appointment is made for the purposes of the employing governmental entity, and whenever the certificate is filed with any state or county officer, no fees shall be charged by the officer for the filing or issuance of any document in connection with the appointment.

The state or any city, county, or school district for which the notary public is appointed and commissioned pursuant to this section may pay from any funds available for its support the premiums on any bond and the cost of any stamps, seals, or other supplies required in connection with the appointment, commission, or performance of the duties of the notary public.

Any fees collected or obtained by any notary public whose documents have been filed without charge and for whom bond premiums have been paid by the employer of the notary public shall be remitted by the notary public to the employing agency which shall deposit the funds to the credit of the fund from which the salary of the notary public is paid.

8202.7. A private employer, pursuant to an agreement with an employee who is a notary public, may pay the premiums on any bond and the cost of any stamps, seals, or other supplies required in connection with the appointment, commission, or performance of the duties of such notary public. Such agreement may also provide for the remission of fees collected by such notary public to the employer, in which case any fees collected or obtained by such notary public while such agreement is in effect shall be remitted by such notary public to the employer which shall deposit such funds to the credit of the fund from which the compensation of the notary public is paid.

8202.8. Notwithstanding any other provision of law, a private employer of a notary public who has entered into an agreement with his or her employee pursuant to Section 8202.7 may limit, during the employee's ordinary course of employment, the providing of notarial services by the employee solely to transactions directly associated with the business purposes of the employer.

8203.1. The Secretary of State may appoint and commission notaries public for the military and naval reservations of the Army, Navy, Coast Guard, Air Force, and Marine Corps of the United States, wherever located in the state; provided, however, that the appointee shall be a citizen of the United States, not less than 18 years of age, and must meet the requirements set forth in paragraphs (3) and (4) of subdivision (a) of Section 8201.

8203.2. Such notaries public shall be appointed only upon the recommendation of the commanding officer of the reservation in which they are to act, and they shall be authorized to act only within the boundaries of this reservation.

8203.3. In addition to the qualifications established in Section 8203.1, appointment will be made only from among those persons who are federal civil service employees at the reservation in which they will act as notaries public.

8203.4. The term of office shall be as set forth in Section 8204, except that the appointment shall terminate if the person shall cease to be employed as a federal civil service employee at the reservation for which appointed. The commanding officer of the reservation shall notify the Secretary of State of termination of employment at the reservation for which appointed within 30 days of such termination. A notary public whose appointment terminates pursuant to this section will have such termination treated as a resignation.

8203.5. In addition to the name of the State, the jurat shall also contain the name of the reservation in which the instrument is executed.

8203.6. No fees shall be collected by such notaries public for service rendered within the reservation in the capacity of a notary public.

8204. The term of office of a notary public is for four years commencing with the date specified in the commission.

8204.1. The Secretary of State may cancel the commission of a notary public if a check or other remittance accepted as payment for the examination, application, commission, and fingerprint fee is not paid upon presentation to the financial institution upon which the check or other remittance was drawn. Upon receiving written notification that the item presented for payment has not been honored for payment, the Secretary of State shall first give a written notice of the applicability of this section to the notary public or the person submitting the instrument. Thereafter, if the amount is not paid by a cashier's check or the equivalent, the Secretary of State shall give a second written notice of cancellation and the cancellation shall thereupon be effective. This second notice shall be given at least 20 days after the first notice, and no more than 90 days after the commencement date of the commission.

8205. (a) It is the duty of a notary public, when requested:

(1) To demand acceptance and payment of foreign and inland bills of exchange, or promissory notes, to protest them for nonacceptance and nonpayment, and, with regard only to the nonacceptance or nonpayment of bills and notes, to exercise any other powers and duties that by the law of nations and according to commercial usages, or by the laws of any other state, government, or country, may be performed by notaries.

(2) To take the acknowledgment or proof of advance health care directives, powers of attorney, mortgages, deeds, grants, transfers, and other instruments of writing executed by any person, and to give a certificate of that proof or acknowledgment, endorsed on or attached to the instrument. The certificate shall be signed by the notary public in the notary public's own handwriting. A notary public may not accept any acknowledgment or proof of any instrument that is incomplete.

(3) To take depositions and affidavits, and administer oaths and affirmations, in all matters incident to the duties of the office, or to be used before any court, judge, officer, or board. Any deposition, affidavit, oath, or affirmation shall be signed by the notary public in the notary public's own handwriting.

(4) To certify copies of powers of attorney under Section 4307 of the Probate Code. The certification shall be signed by the notary public in the notary public's own handwriting.

(b) It shall further be the duty of a notary public, upon written request:

(1) To furnish to the Secretary of State certified copies of the notary's journal.

(2) To respond within 30 days of receiving written requests sent by certified mail from the Secretary of State's office for information relating to official acts performed by the notary.

8206. (a) (1) A notary public shall keep one active sequential journal at a time, of all official acts performed as a notary public. The journal shall be kept in a locked and secured area, under the direct and exclusive control of the notary. Failure to secure the journal shall be cause for the

Secretary of State to take administrative action against the commission held by the notary public pursuant to Section 8214.1.

(2) The journal shall be in addition to and apart from any copies of notarized documents that may be in the possession of the notary public and shall include all of the following:

(A) Date, time, and type of each official act.

(B) Character of every instrument sworn to, affirmed, acknowledged, or proved before the notary.

(C) The signature of each person whose signature is being notarized.

(D) A statement as to whether the identity of a person making an acknowledgment or taking an oath or affirmation was based on personal knowledge or satisfactory evidence. If identity was established by satisfactory evidence pursuant to Section 1185 of the Civil Code, then the journal shall contain the signature of the credible witness swearing or affirming to the identity of the individual or the type of identifying document, the governmental agency issuing the document, the serial or identifying number of the document, and the date of issue or expiration of the document.

(E) If the identity of the person making the acknowledgment or taking the oath or affirmation was established by the oaths or affirmations of two credible witnesses whose identities are proven upon the presentation of satisfactory evidence, the type of identifying documents, the identifying numbers of the documents and the dates of issuance or expiration of the documents presented by the witnesses to establish their identity.

(F) The fee charged for the notarial service.

(G) If the document to be notarized is a deed, quitclaim deed, or deed of trust affecting real property, the notary public shall require the party signing the document to place his or her right thumbprint in the journal. If the right thumbprint is not available, then the notary shall have the party use his or her left thumb, or any available finger and shall so indicate in the journal. If the party signing the document is physically unable to provide a thumbprint or fingerprint, the notary shall so indicate in the journal and shall also provide an explanation of that physical condition. This paragraph shall not apply to a trustee's deed resulting from a decree of foreclosure or a nonjudicial foreclosure pursuant to Section 2924 of the Civil Code, nor to a deed of reconveyance.

(b) If a sequential journal of official acts performed by a notary public is stolen, lost, misplaced, destroyed, damaged, or otherwise rendered unusable as a record of notarial acts and information, the notary public shall immediately notify the Secretary of State by certified or registered mail. The notification shall include the period of the journal entries, the notary public commission number, and the expiration date of the commission, and when applicable, a photocopy of any police report that specifies the theft of the sequential journal of official acts.

(c) Upon written request of any member of the public, which request shall include the name of the parties, the type of document, and the month and year in which notarized, the notary shall supply a photostatic copy of the line item representing the requested transaction at a cost of not more than thirty cents (\$0.30) per page.

(d) The journal of notarial acts of a notary public is the exclusive property of that notary public, and shall not be surrendered to an employer upon termination of employment, whether or not the employer paid for the journal, or at any other time. The notary public shall not surrender the journal to any other person, except the county clerk, pursuant to Section 8209, or to a peace officer, as defined in Sections 830.1, 830.2, and 830.3 of the Penal Code, acting in his or her official capacity and within his or her authority, in response to a criminal search warrant signed

by a magistrate and served upon the notary public by the peace officer. The notary public shall obtain a receipt for the journal, and shall notify the Secretary of State by certified mail within 10 days that the journal was relinquished to a peace officer. The notification shall include the period of the journal entries, the commission number of the notary public, the expiration date of the commission, and a photocopy of the receipt. The notary public shall obtain a new sequential journal. If the journal relinquished to a peace officer is returned to the notary public and a new journal has been obtained, the notary public shall make no new entries in the returned journal. A notary public who is an employee shall permit inspection and copying of journal transactions by a duly designated auditor or agent of the notary public's employer, provided that the inspection and copying is done in the presence of the notary public and the transactions are directly associated with the business purposes of the employer. The notary public, upon the request of the employer, shall regularly provide copies of all transactions that are directly associated with the business purposes of the employer, but shall not be required to provide copies of any transaction that is unrelated to the employer's business. Confidentiality and safekeeping of any copies of the journal provided to the employer shall be the responsibility of that employer.

(e) The notary public shall provide the journal for examination and copying in the presence of the notary public upon receipt of a subpoena duces tecum or a court order, and shall certify those copies if requested.

8207. A notary public shall provide and keep an official seal, which shall clearly show, when embossed, stamped, impressed or affixed to a document, the name of the notary, the State Seal, the words "Notary Public," and the name of the county wherein the bond and oath of office are filed, and the date the notary public's commission expires. The seal of every notary public commissioned on or after January 1, 1992, shall contain the sequential identification number assigned to the notary and the sequential identification number assigned to the manufacturer or vendor. The notary public shall authenticate with the official seal all official acts. A notary public shall not use the official notarial seal except for the purpose of carrying out the duties and responsibilities as set forth in this chapter. A notary public shall not use the title "notary public" except for the purpose of rendering notarial service.

The seal of every notary public shall be affixed by a seal press or stamp that will print or emboss a seal which legibly reproduces under photographic methods the required elements of the seal. The seal may be circular not over two inches in diameter, or may be a rectangular form of not more than one inch in width by two and one-half inches in length, with a serrated or milled edged border, and shall contain the information required by this section. The seal shall be kept in a locked and secured area, under the direct and exclusive control of the notary. Failure to secure the seal shall be cause for the Secretary of State to take administrative action against the commission held by the notary public pursuant to Section 8214.1. The official seal of a notary public is the exclusive property of that notary public, and shall not be surrendered to an employer upon the termination of employment, whether or not the employer paid for the seal, or to any other person. The notary, or his or her representative, shall destroy or deface the seal upon termination, resignation, or revocation of the notary's commission. This section shall become operative on January 1, 1992.

8207.1. The Secretary of State shall assign a sequential identification number to each notary which shall appear on the notary commission.

8207.2. (a) No notary seal or press stamp shall be manufactured, duplicated, sold, or offered for sale unless authorized by the Secretary of State.

(b) The Secretary of State shall develop and implement procedures and guidelines for the issuance of notary seals on or before January 1, 1992.

(c) The Secretary of State shall issue a permit with a sequential identification number to each manufacturer or vendor authorized to issue notary seals. The Secretary of State may establish a fee for the issuance of the permit which shall not exceed the actual costs of issuing the permit.

(d) The Secretary of State shall develop a certificate of authorization to purchase a notary stamp from an authorized vendor.

(e) The certificate of authorization shall be designed to prevent forgeries and shall contain a sequential identification number.

(f) This section shall become operative on January 1, 1992.

8207.3. (a) The Secretary of State shall issue certificates of authorization with which a notary public can obtain an official notary seal.

(b) A vendor or manufacturer is authorized to provide a notary with an official seal only upon presentation by the notary public of a certificate of authorization.

(c) A vendor of official seals shall note the receipt of certificates of authorization and sequential identification numbers of certificates presented by a notary public upon a certificate of authorization.

(d) A copy of a certificate of authorization shall be retained by a vendor and the original, which shall contain a sample impression of the seal issued to the notary public, shall be submitted to the Secretary of State for verification and recordkeeping. The Secretary of State shall develop guidelines for submitting certificates of authorization by vendors.

(e) Any notary whose official seal is lost, misplaced, destroyed, broken, damaged, or is rendered otherwise unworkable shall immediately mail or deliver written notice of that fact to the Secretary of State. The Secretary of State, within five working days after receipt of the notice, if requested by a notary, shall issue a certificate of authorization which a notary may use to obtain a replacement seal.

(f) This section shall become operative on January 1, 1992.

8207.4. (a) Any person who willfully violates any part of Section 8207.1, 8207.2, 8207.3, or 8207.4 shall be subject to a civil penalty not to exceed one thousand five hundred dollars (\$1,500) for each violation, which may be recovered in a civil action brought by the Attorney General or the district attorney or city attorney, or by a city prosecutor in any city and county.

(b) The penalty provided by this section is not an exclusive remedy, and does not affect any other relief or remedy provided by law.

(c) This section shall become operative on January 1, 1992.

8208. The protest of a notary public, under his or her hand and official seal, of a bill of exchange or promissory note for nonacceptance or nonpayment, specifying any of the following is prima facie evidence of the facts recited therein:

8209. (a) If any notary public resigns, is disqualified, removed from office, or allows his or her appointment to expire without obtaining reappointment within 30 days, all notarial records and papers shall be delivered within 30 days to the clerk of the county in which the notary public's current official oath of office is on file. If the notary public willfully fails or refuses to deliver all notarial records and papers to the county clerk within 30 days, the person is guilty of a misdemeanor and shall be personally liable for damages to any person injured by that action or inaction.

(b) In the case of the death of a notary public, the personal representative of the deceased shall promptly notify the Secretary of State of the death of the notary public and shall deliver all notarial records and papers of the deceased to the clerk of the county in which the notary public's official oath of office is on file.

(c) After 10 years from the date of deposit with the county clerk, if no request for, or reference to such records has been made, they may be destroyed upon order of court.

8211. Fees charged by a notary public for the following services shall not exceed the fees prescribed by this section.

8212. Every person appointed a notary public shall execute an official bond in the sum of fifteen thousand dollars (\$15,000). The bond shall be in the form of a bond executed by an admitted surety insurer and not a deposit in lieu of bond.

8213. (a) No later than 30 days after the beginning of the term prescribed in the commission, every person appointed a notary public shall file an official bond and an oath of office in the

office of the county clerk of the county within which the person maintains a principal place of business as shown in the application submitted to the Secretary of State, and the commission shall not take effect unless this is done within the 30-day period. A person appointed to be a notary public shall take and subscribe the oath of office either in the office of that county clerk or before another notary public in that county. If the oath of office is taken and subscribed before a notary public, the oath and bond may be filed with the county clerk by certified mail. Upon the filing of the oath and bond, the county clerk shall immediately transmit to the Secretary of State a certificate setting forth the fact of the filing and containing a copy of the official oath, personally signed by the notary public in the form set forth in the commission and shall immediately deliver the bond to the county recorder for recording. The county clerk shall retain the oath of office for one year following the expiration of the term of the commission for which the oath was taken, after which the oath may be destroyed or otherwise disposed of. The copy of the oath, personally signed by the notary public, on file with the Secretary of State may at any time be read in evidence with like effect as the original oath, without further proof.

(b) If a notary public transfers the principal place of business from one county to another, the notary public may file a new oath of office and bond, or a duplicate of the original bond with the county clerk to which the principal place of business was transferred. If the notary public elects to make a new filing, the notary public shall, within 30 days of the filing, obtain an official seal which shall include the name of the county to which the notary public has transferred. In a case where the notary public elects to make a new filing, the same filing and recording fees are applicable as in the case of the original filing and recording of the bond.

(c) If a notary public submits an application for a name change to the Secretary of State, the notary public shall, within 30 days from the date an amended commission is issued, file a new oath of office and an amendment to the bond with the county clerk in which the principal place of business is located. The amended commission with the name change shall not take effect unless the filing is completed within the 30-day period. The amended commission with the name change takes effect the date the oath and amendment to the bond is filed with the county clerk. If the principal place of business address was changed in the application for name change, either a new or duplicate of the original bond shall be filed with the county clerk with the amendment to the bond. The notary public shall, within 30 days of the filing, obtain an official seal that includes the name of the notary public and the name of the county to which the notary public has transferred, if applicable.

(d) The recording fee specified in Section 27361 of the Government Code shall be paid by the person appointed a notary public. The fee may be paid to the county clerk who shall transmit it to the county recorder.

8213.5. A notary public shall notify the Secretary of State by certified mail within 30 days as to any change in the location or address of the principal place of business or residence.

8213.6. If a notary public changes his or her name, the notary public shall complete an application for name change form and file that application with the Secretary of State. Information on this form shall be subject to the confidentiality provisions described in Section 8201.5. Upon approval of the name change form, the Secretary of State shall issue a commission

that reflects the new name of the notary public. The term of the commission and commission number shall remain the same.

8214. For the official misconduct or neglect of a notary public, the notary public and the sureties on the notary public's official bond are liable in a civil action to the persons injured thereby for all the damages sustained.

8214.1. The Secretary of State may refuse to appoint any person as notary public or may revoke or suspend the commission of any notary public upon any of the following grounds: (a) Substantial and material misstatement or omission in the application submitted to the Secretary of State.

(b) Conviction of a felony, a lesser offense involving moral turpitude, or a lesser offense of a nature incompatible with the duties of a notary public. A conviction after a plea of nolo contendere is deemed to be a conviction within the meaning of this subdivision.

(d) Failure to discharge fully and faithfully any of the duties or responsibilities required of a notary public.

8214.15. (a) In addition to any commissioning or disciplinary sanction, a violation of subdivision (f), (i), (l), (m), or (p) of Section 8214.1, or a willful violation of subdivision (d) of Section 8214.1, is punishable by a civil penalty not to exceed one thousand five hundred dollars (\$1,500).

(b) In addition to any commissioning or disciplinary sanction, a violation of subdivision (h),

(j), or (k) of Section 8214.1, or a negligent violation of subdivision (d) of Section 8214.1, is punishable by a civil penalty not to exceed seven hundred fifty dollars (\$750).

(c) The civil penalty may be imposed by the Secretary of State if a hearing is not requested pursuant to Section 8214.3. If a hearing is requested, the hearing officer shall make the determination.

(d) Any civil penalties collected pursuant to this section shall be transferred to the General Fund. It is the intent of the Legislature that to the extent General Fund moneys are raised by penalties collected pursuant to this section, that money should be made available to the Secretary of State's office to defray its costs of investigating and pursuing commissioning and monetary remedies for violations of the notary public law.

8214.2. A notary public who knowingly and willfully with intent to defraud performs any notarial act in relation to a deed of trust on real property consisting of a single-family residence containing not more than four dwelling units, with knowledge that the deed of trust contains any false statements or is forged in whole or in part, is guilty of a felony.

8214.3. Prior to a revocation or suspension pursuant to this chapter or after a denial of a commission, or prior to the imposition of a civil penalty, the person affected shall have a right to a hearing on the matter and the proceeding shall be conducted in accordance with Chapter 5 (commencing with Section 11500) of Part 1 of Division 3, except that a person shall not have a right to a hearing after a denial of an application for a notary public commission in either of the following cases:

(a) The Secretary of State has, within one year previous to the application, and after proceedings conducted in accordance with Chapter 5 (commencing with Section 11500) of Part 1 of Division 3, denied or revoked the applicant's application or commission.

(b) The Secretary of State has entered an order pursuant to Section 8214.4 finding that the applicant has committed or omitted acts constituting grounds for suspension or revocation of a notary public's commission.

8214.4. Notwithstanding this chapter or Chapter 5 (commencing with Section 11500) of Part 1 of Division 3, if the Secretary of State determines, after proceedings conducted in accordance with Chapter 5 (commencing with Section 11500) of Part 1 of Division 3, that any notary public has committed or omitted acts constituting grounds for suspension or revocation of a notary public's commission, the resignation or expiration of the notary public's commission shall not bar the Secretary of State from instituting or continuing an investigation or instituting disciplinary proceedings. Upon completion of the disciplinary proceedings, the Secretary of State shall enter an order finding the facts and stating the conclusion that the facts would or would not have constituted grounds for suspension or revocation of the commission if the commission had still been in effect.

8214.5. Whenever the Secretary of State revokes the commission of any notary public, the Secretary of State shall file with the county clerk of the county in which the notary public's principal place of business is located a copy of the revocation. The court shall forward the seal, together with a certified copy of the judgment of conviction, to the Secretary of State.

8216. When a surety of a notary desires to be released from responsibility on account of future acts, the release shall be pursuant to Article 11 (commencing with Section 996.110), and not by cancellation or withdrawal pursuant to Article 13 (commencing with Section 996.310), of Chapter 2 of Title 14 of Part 2 of the Code of Civil Procedure. For this purpose the surety shall make application to the superior court of the county in which the notary public's principal place of business is located and the copy of the application and notice of hearing shall be served on the Secretary of State as the beneficiary.

(b) The notice required by subdivision (a) shall be printed and posted as prescribed by the Secretary of State.

(c) Literal translation of the phrase "notary public" into Spanish, hereby defined as "notario publico" or "notario," is prohibited. For purposes of this subdivision, "literal translation" of a word or phrase from one language to another means the translation of a word or phrase without regard to the true meaning of the word or phrase in the language which is being translated.

(d) The Secretary of State shall suspend for a period of not less than one year or revoke the commission of any notary public who fails to comply with subdivision (a) or (c). However, on the second offense the commission of such notary public shall be revoked permanently.

enforce the provisions of this chapter, and any party to the action has the right to prosecute an appeal from the order or judgment of the court.

(b) The court may order a person subject to an injunction or restraining order provided for in this section to reimburse the Secretary of State for expenses incurred in the investigation related to the petition. The Secretary of State shall refund any amount received as reimbursement should the injunction or restraining order be dissolved by an appellate court.

The fee for this service shall not exceed ten dollars (\$10) per individual for each set of forms. If notary services are performed in relation to the set of immigration forms, additional fees may be collected pursuant to Section 8211. This fee limitation shall not apply to an attorney, who is also a notary public, who is rendering professional services regarding immigration matters.

(c) Nothing in this section shall be construed to exempt a notary public who enters data on an immigration form at the direction of a client, or otherwise performs the services of an immigration consultant, as defined by Section 22441 of the Business and Professions Code, from the requirements of Chapter 19.5 (commencing with Section 22440) of Division 8 of the Business and Professions Code.
